BSST HOSPITAL

ABOUT US

BSST Hospital, a flagship unit of **Bharti Sewa Sadan Trust (BSST)**, was **established on 20th November 2023** with the vision of providing accessible, affordable, and quality healthcare to the people of Bihar and neighboring regions. Built under the guiding principles of Bharti Sewa Sadan Trust—founded in 2014 with a mission to empower marginalized communities—the hospital is dedicated to bridging the gap between modern medical facilities and the urgent healthcare needs of underserved populations.

At its core, BSST Hospital offers **multi-specialty medical services**, including general medicine, surgery, pediatrics, gynecology, orthopedics, cardiology, ophthalmology, emergency care, diagnostic services, and preventive healthcare programs. The hospital's approach goes beyond treatment, with a strong focus on **community health**.

BSST HOSPITAL

awareness, preventive screenings, vaccination drives, maternal and child care, and mobile health units that take medical services to remote and rural areas.

Committed to **inclusive healthcare**, BSST Hospital ensures that essential medical services are available to economically weaker sections at highly affordable costs, and in many cases, free of charge. This mission is supported through charitable donations, government programs, and CSR partnerships, making BSST Hospital a true example of service-driven healthcare.

In addition, the hospital is envisioned as a **center for medical education and skill development**, with future plans to establish a **Medical College, Nursing School, and Paramedical Training Institute**. This will not only meet the present healthcare needs but also build long-term capacity by nurturing the next generation of skilled healthcare professionals.

Guided by the philosophy of “*Seva, Shiksha, and Swasthya*” (*Service, Education, and Health*), BSST Hospital combines **modern medical technology, skilled professionals, and community-focused initiatives** to create a healthier and stronger society. Since its establishment on **20/11/2023**, it has stood as a beacon of hope, delivering compassionate care and carrying forward the vision of Bharti Sewa Sadan Trust—that quality healthcare must be a right for all, not a privilege.

VISION & MISSION

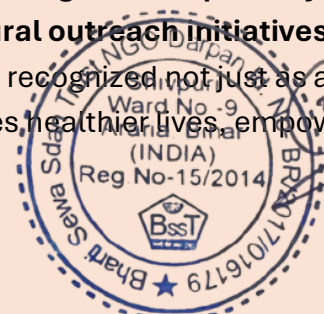

Our Vision

The vision of **BSST Hospital** is to build a world where **quality healthcare is not a privilege but a basic human right**. Established on **20th November 2023**, the hospital has been conceived as a modern, inclusive, and compassionate healthcare institution that addresses the critical health needs of the people of Bihar and neighboring states.

We envision becoming a **center of excellence in healthcare, education, and research**, where modern medical technology, advanced infrastructure, and skilled professionals come together to serve patients with dignity, respect, and empathy. By focusing on both **curative and preventive healthcare**, BSST Hospital strives to reduce the health disparities faced by rural and marginalized communities, ensuring that no individual is denied medical care due to economic or social barriers.

Looking ahead, BSST Hospital aspires to expand its reach through **multi-specialty services, medical education programs, telemedicine, rural outreach initiatives, and research-based innovations**. Our long-term vision is to be recognized not just as a hospital, but as a **beacon of hope and healing** that nurtures healthier lives, empowers

BSST HOSPITAL

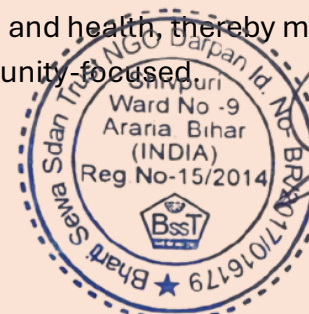

communities, and inspires future generations of healthcare professionals to carry forward the legacy of **Seva, Shiksha, and Swasthya (Service, Education, and Health)**.

Our Mission

The mission of **BSST Hospital** is rooted in the values of **compassion, service, and excellence**. As a healthcare unit of Bharti Sewa Sadan Trust, the hospital is committed to bringing about a transformative change in the healthcare landscape of Bihar by ensuring that every individual, regardless of social or economic background, has access to reliable and affordable medical care.

Our mission includes:

- **Delivering holistic healthcare:** Providing a wide range of multi-specialty medical services—covering general medicine, surgery, pediatrics, gynecology, cardiology, orthopedics, ophthalmology, diagnostics, and emergency care—supported by modern facilities and a dedicated team of healthcare professionals.
- **Promoting preventive and community health:** Extending services beyond hospital walls through **health awareness programs, vaccination drives, maternal and child health initiatives, rural health camps, and mobile healthcare units**, ensuring that even remote communities benefit from timely medical intervention.
- **Serving the underprivileged with dignity:** Offering affordable treatment and, where needed, free healthcare support for the economically weaker sections, supported by charitable contributions, government health schemes, and CSR collaborations.
- **Building future healthcare leaders:** Establishing a **Medical College, Nursing School, and Paramedical Training Institute** to equip students with not only medical expertise but also a strong ethical foundation, thereby strengthening the overall healthcare system for future generations.
- **Integrating technology with care:** Utilizing **digital health records, telemedicine, and advanced diagnostic tools** to make healthcare delivery more efficient, transparent, and accessible.
- **Upholding values of Seva, Shiksha, and Swasthya:** Ensuring that every initiative reflects our guiding principles of service, education, and health, thereby making healthcare delivery both compassionate and community-focused.

BSST HOSPITAL

Through these missions, BSST Hospital aims to **transform healthcare delivery in Bihar and beyond**, by combining medical excellence with social responsibility. Every patient, every student, and every initiative reflects our unwavering commitment to building a healthier tomorrow.

BSST HOSPITAL

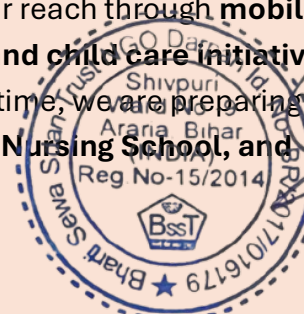

MESSAGE FROM PRESIDENT

It gives me immense pride and joy to present **BSST Hospital**, a dedicated unit of **Bharti Sewa Sadan Trust**, established on **20th November 2023** with the mission of bringing quality healthcare within the reach of all. From the very beginning, our Trust has worked with a deep sense of responsibility towards society, focusing on the upliftment of the underprivileged, and this hospital is a significant step forward in fulfilling that vision.

Healthcare is not merely about treatment—it is about compassion, prevention, awareness, and empowerment. With this belief, BSST Hospital has been designed as more than just a medical institution. It is a place where **modern medical technology meets human touch**, where **patients are treated with dignity**, and where **the values of Seva, Shiksha, and Swasthya (Service, Education, and Health)** guide every action.

Our dream is not only to cure illness but to **build healthier communities**. Alongside hospital-based services, we are committed to extending our reach through **mobile medical units, health awareness campaigns, maternal and child care initiatives, vaccination drives, and rural health camps**. At the same time, we are preparing for the future by working towards establishing a **Medical College, Nursing School, and**

BSST HOSPITAL

Paramedical Training Institute that will nurture skilled and compassionate healthcare professionals for the generations to come.

As the President of Bharti Sewa Sadan Trust, I extend my heartfelt gratitude to all supporters, partners, well-wishers, and healthcare professionals who have stood with us in this journey. Together, we are not only building a hospital—we are building hope, trust, and a healthier tomorrow for countless families.

BSST Hospital is a dream turned into reality, and with your continued support, it will shine as a beacon of healing and humanity for years to come.

With warm regards,

DR.RAM NARAYAN BHARTI
