Introduction of the founder

Dr. Ram Narayan, esteemed founder and President o an impactful NGO, epitomizes dedication to socia progress. With a fervent commitment to humanitarian causes, he leads initiatives that empower communities and drive positive change. Dr. Narayan's visionary leadership inspires collective action towards a brighter more equitable future.

INTRODUCTION

Bharti Sewa Sadan Being a Non-Profit Making Organisation, we have altogethe catalysed development intervention in collaboration with people, government and resource institution in many ways. It could realize its potential because of ou core philosophy i.e., Participatory Development. We recognized the importance of people at each level form planning to evaluation. Contrary to the mainstream of the development, we recognized local people's knowledge and experience and have immense faith in "They know, I don't know" rather "I Know, they don' know" as well as "They are the solution, we are the problem' rather "We are the solution, they are the Problem."

PREFACE

In this annual report, we proudly present a year of dedicated service and unwavering commitment by Bharti Sewa Sadan. Through our relentless efforts, we have strived to uplif communities, empower individuals, and foster sustainable development. With a focus on inclusivity and compassion, we have touched lives, inspired change, and buil bridges of hope.

It has taken over the challenges to eliminate whirlpool of ignorance through different awareness programmes and formation and nurturing of self-Help

FOLLOWING ARE THE ACTIVITIES CONDUCTED DURING THE YEAR 2023-2024:

In the year on 2023-2024 we have organised Workshops, health check-up, and training programs. By which the local people get the services and knowledge nearby to their households. We have helped locals by providing them treatment free of cost.

- **BSST Hospital :**

In the pursuit of our mission to promote health and well-being, Bharti Sewa Sadan proudly facilitated 155 free health check-up and treatments throughout the year. Our commitment to accessible healthcare has allowed us to reach underserved communities, providing vital services to those in need. Through strategic partnerships with healthcare professionals and institutions, we offered comprehensive screenings, consultations, and treatments, addressing a wide range of medical concerns.

These efforts not only aimed to diagnose and treat existing conditions but also emphasized preventative care and health education, empowering individuals to take control of their own well-being. By removing financial barriers and ensuring equitable access to healthcare, we have made significant strides in improving the quality of life for countless individuals and families. As we reflect on the impact of these initiatives, we remain steadfast

BHARTI SEWA SADAN TRUST

in our dedication to serving the health needs of our communities with compassion and excellence.

- **Rashtriya Manav Adhikar Aayog Awareness Programme:**

Bharti sewa sandan organisend the program in the office premises Camp was carried out with the help of NHRC in Ward No.9 Shivpuri, District Araria (Bihar), it was organized on March 20, 2024 in collaboration with NHRC, in which more than 150 people participated and 4 resource persons gave information to the people present about various human rights topics.

The program mainly focuses on the awareness of the human right. With the contribution of the local people who attended the program we tried to spread awareness on the different topics like women rights and child rights. It was organised for the localities to have a positive thinking and impact on their life style.

BHARTI SEWA SADAN TRUST

This program consist of 4 sessions in which we invited advocate Shri Sanjeev Kumar Choudhary, Advocate Shri Utpal Kumar, MR Adil Khan and Shree Prabha Bharti. They provide knowledge to the people who attended the program on various knowledgeable topics. It was very valuable and impactful session. There where 150 people available in the program and we can proudly say we had an amazing sessions and gain knowledge.

अररिया। भारती सेवा सदन ट्रस्ट द्वारा समाज में उत्कृष्ट योगदान देने व लोकहित में सक्रिय भूमिका निर्वहन के वजहों से भारत सरकार की अधिकृत व नामचीन संस्थान मैजिक बुक ऑफ रिकॉर्ड्स संस्थान ने बिहार के एक मात्र समाजिक संगठन भारती सेवा सदन ट्रस्ट के संस्थापक अध्यक्ष डा आरएन भारती को सेवा रत्न अवार्ड 2024 से सम्मानित किया गया है। यह अवार्ड भारती सेवा सदन ट्रस्ट के संस्थापक अध्यक्ष डा आरएन भारती को दिल्ली स्थित फरीदाबाद में आयोजित एक विशेष सम्मान समारोह में मिला है। सेवा रत्न अवार्ड प्राप्त करते समय ट्रस्ट के कोषाध्यक्ष रुना भारती, पुतुल भारती व सौरभ भारती भी इनके साथ शामिल थे। दूरभाष पर अवार्ड प्राप्त करने की जानकारी देते हुए डा आरएन भारती ने कहा कि यह बहुत ही खुशी की बात है कि बिहार से मात्र एक अररिया जिला की सामाजिक संगठन भारती सेवा सदन ट्रस्ट, सेवा रत्न अवार्ड 2024 प्राप्त किया है। उन्होंने कहा कि यह

उपलब्धि हासिल करने पर अररिया जिला के लिए एक गौरव और गर्व की बात है। विदित हो कि भारती सेवा सदन ट्रस्ट जिला के लिए ही नहीं बल्कि अररिया जिला से बाहर के लिए भी शिक्षा, स्वास्थ्य एवं सेवा मूलक कार्य तथा जनकल्याण के लिए ट्रस्ट अपना पहचान बनाया हुआ है।

लगभग 26 वर्षों से डॉ आरएन भारती ने सेवा कार्य से अपना जीवन को निशुल्क सेवा करते हुए समाज को समर्पित किया। अपना समर्पित जीवन को अररिया जिला के लिए स्वास्थ्य सेवा, साधारण, गरीब एवं हजारों निसहाय, बाढ़ पीड़ित, करोना काल में जन कल्याण कार्य, अग्नि पिड़ीत लोगों का सहयोग करते हुए भारती सेवा सदन ट्रस्ट गरीब एवं असहाय लोगों के बीच कम्बल वितरण तथा शिक्षा का अलख जगाने का कार्य कर रहे हैं।

'कदम निरंतर चलते जिनके श्रम जिनका अभिराम है' इस उक्ति को डॉक्टर आरएन भारती साकार कर रहे हैं, जो लगातार शिक्षा एवं स्वास्थ्य के प्रति चिंतन कर रहे हैं। स्वास्थ्य एवं शिक्षा के प्रति निरंतर लगाव को देखते हुए ट्रस्ट परिवार निकट भविष्य में इस क्षेत्र में कई रोजगारोन्मुख कार्य करने के लिए कृतसंकल्पित हैं। भारती सेवा सदन ट्रस्ट के अध्यक्ष डॉक्टर आरएन भारती ने प्रार्थना सभा में अपने मन के उद्गार को व्यक्त करते हुए कर्म करने की प्रधानता का जिक्र किया। इधर पुरस्कार मिलने पर ट्रस्ट के सभी सदस्यों में खुशी व्याप्त है। जिले वासी बधाई भी दे रहे हैं।

border interactions, fostering empathy and cooperation. The program facilitated discussions on cultural nuances, legal frameworks, and communication strategies essential for effective engagement across borders. Furthermore, the annual meeting provided a forum for stakeholders to reflect on achievements, challenges, and opportunities for growth. By integrating both training and dialogue, Bharti Sewa Sadan not only promoted awareness but also empowered individuals and organizations to transcend geographic boundaries and work towards a more interconnected and inclusive society. These initiatives underscore Bharti Sewa Sadan's commitment to promoting global harmony and sustainable development.

- रविवार को शांतिपूर्ण तरीके से की गई मूर्ति विसर्जन
- स्थानीय नदी व जलाशयों में मूर्ति विसर्जन किया गया

अररिया, आरएनएन। जिले भर में विद्या की देवी मां सरस्वती पूजा सादगी के साथ मनाई जा रही है। इस बार लोग अपने घर परिसरों में सोशल डिस्टेंसिंग के साथ सरस्वती पूजा सादगी के साथ मनाया गया। वहीं जिला मुख्यालय स्थित शिवपुरी मुहल्ले में भारती सेवा सदन ट्रस्ट कार्यालय परिसर में ट्रस्ट के संस्थापक अध्यक्ष डॉक्टर रामनारायण भारती के नेतृत्व में विद्या की देवी मां सरस्वती पूजा सादगी से मनाई गई। इस दौरान भारती सेवा सदन ट्रस्ट के संस्थापक सह अध्यक्ष डॉक्टर रामनारायण भारती ने कहा कि सरकार की गाइडलाइन के मुताबिक इस बार सादे तरीके से सरस्वती पूजा मनाई गई। डीजे या किसी भी प्रकार का सांस्कृतिक कार्यक्रम का आयोजन नहीं किए गए। उन्होंने कहा कि इस बार सरस्वती पूजा में उत्साह कम देखा गया, क्योंकि करोना महामारी के इस दौर में लोगों के काम धंधे चौपट हो गए हैं और लोगों के जेब काफी खाली हो गए। चूंकि पूजा तो पूजा है, इसलिए यह ज्ञान और वाणी की देवी सरस्वती की पूजा का पवित्र पर्व माना गया है । बच्चों को इस दिन से बोलना या लिखना, सिखाना शुभ माना जाता है। ऐसी मान्यता है कि इसी दिन विद्या और बुद्धि की देवी मां सरस्वती अपने हाथों से वीणा, पुस्तक व माला लिए अवतरित हुई थी। यही कारण है कि भारतीय संस्कृति में इस दिन लोग विद्या, बुद्धि और वाणी की अधिष्ठात्री देवी सरस्वती की पूजा आराधना करके अपने जीवन से अज्ञानता के अंधकार को दूर करने की कामना करते हैं । डॉक्टर रामनारायण भारती ने कहा कि यह पर्व जिले भर में सादगी से मनाई गई। माना जाता है कि यह दिन बसंत ऋतु के आगमन का सूचक है। शरद ऋतु की विदाई और बसंत के आगमन के साथ समस्त प्राणी जगत में नवजीवन एवं नव चेतना का संचार होता है। वातावरण में चारों ओर मादकता का संचार होने लगता है। प्रकृति के सौंदर्य में निखार आने लगता है । शरद ऋतु में वृक्षों के पुराने पत्ते सूख कर झड़ जाते हैं, लेकिन बसंत की शुरूआत के साथ ही पेड़ पौधों पर नई कोंपले फूटने लगती हैं। चारों ओर रंग बिरंगे फूल खिल जाते हैं।

The Cultural Program provides opportunities for individuals to showcase their talents, express their cultural identity, and connect with others in meaningful ways. From traditional dance and music performances to art exhibitions and culinary showcases, the program creates spaces for dialogue, collaboration, and mutual respect. By celebrating cultural diversity and promoting intercultural dialogue, Bharti Sewa Sadan's Cultural Program enriches communities, fosters a sense of belonging, and promotes a shared commitment to embracing and preserving cultural heritage for future generations.

Governing Bodies:

At Bharti Sewa Sadan Trust, our greatest strength lies in our dedicated team of leaders, staff, and volunteers who work tirelessly to bring positive change to society. Guided by the vision of our President, Dr. Ram Narayan Bharti, and supported by the committed efforts of our Secretary, Shri Sanjay Kumar Jha, and Treasurer, Shrimati Runa Bharti, the Trust has grown into a strong force for community development

President – Dr. Ram Narayan Bharti

Dr. Ram Narayan Bharti is the Founder and President (Chairman) of Bharti Sewa Sadan Trust, and the guiding force behind its vision and mission. With a background in healthcare and a lifelong passion for social service, Dr. Bharti has dedicated himself to improving the lives of underprivileged communities in Bihar and beyond.

Contributions & Leadership

• Healthcare Advocate: Under his leadership, the BSST Hospital was established, providing affordable medical services to thousands of rural families.

• Educational Supporter: He has spearheaded initiatives to provide free education, scholarships, and learning resources to children from marginalized groups.

• Social Reformer: Dr. Bharti has actively led campaigns on anti-dowry, women empowerment, Swachh Bharat, and anti-addiction, creating mass awareness in society.

• Strategic Visionary: He has strengthened partnerships with government departments, corporate CSR wings, and civil society to expand the Trust's reach

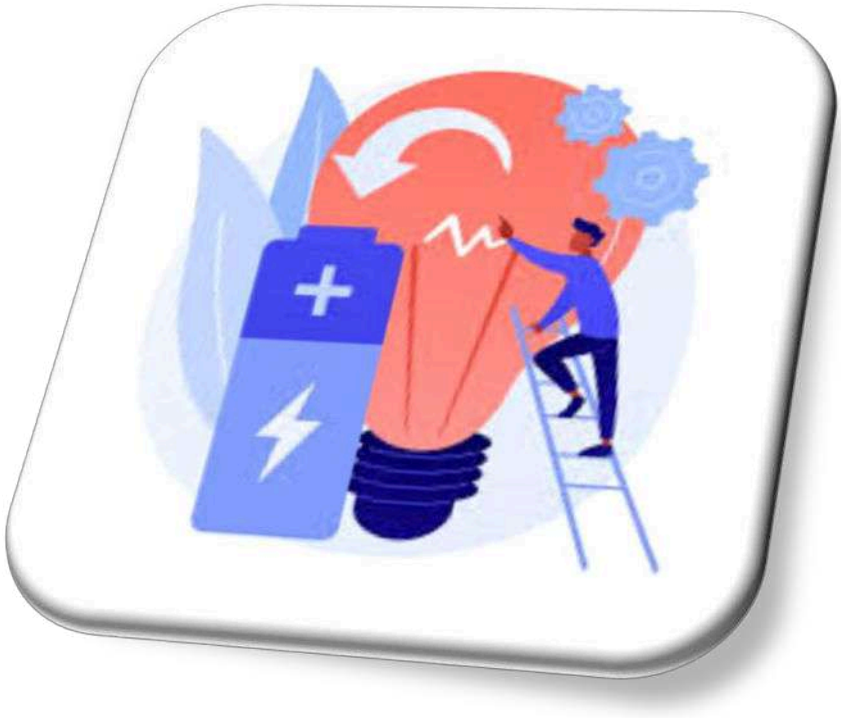

Impact

• Through his leadership, the Trust has:

• Reached 10,000+ beneficiaries annually in healthcare and education.

• Built strong grassroots credibility across Araria district and surrounding regions.

• Established Bharti Sewa Sadan Trust as a recognized NGO at state and national level, with multiple registrations (12A, 80G, FCRA, CSR).

ANNUAL REPORT 2024

Message from president:

It is with immense pride and heartfelt gratitude that I present to you the Annual Report of Bharti Sewa Sadan Trust for the year 2024–25. This report is not merely a compilation of facts and figures; it is a reflection of the dedication, compassion, and hard work that our team, partners, and supporters have invested in creating meaningful change for society. Over the years, our Trust has grown from a small initiative into a dynamic organization committed to healthcare, education, women empowerment, livelihood promotion, and social reform. This growth has been possible because of the collective belief that even the smallest act of service can make a significant difference in the lives of others. The year 2024–25 has been a landmark year for us. Through our BSST Hospital, we have been able to extend affordable and quality healthcare to thousands of people who otherwise struggle to access medical facilities. Our Free Education and Skill Development Programmes have opened doors of learning and livelihood for hundreds of children and youth. Social awareness campaigns against dowry, substance abuse, and illiteracy have mobilized communities towards progressive change. Environmental initiatives like plantation drives and Swachh Bharat campaigns have engaged people in building a cleaner and greener future. What gives me the greatest satisfaction is not just the numbers we report, but the stories of transformation behind them—the child who can now read, the mother who receives safe healthcare, the youth who finds dignity through employment, and the family that rejects dowry to embrace equality. These human stories are the true measure of our success. Looking ahead, our vision is to expand our healthcare services with specialized facilities, strengthen digital and inclusive education programmes, and create more opportunities for women and youth to become self-reliant. We will also continue to build partnerships with government agencies, corporate CSR initiatives, and civil society organizations to maximize our impact. I extend my deepest gratitude to our Secretary, Treasurer, Directors, Volunteers, Donors, and Well-Wishers, whose unwavering support keeps our mission alive. Together, we will continue to serve

humanity with integrity, compassion, and dedication. Let us move forward with the conviction that a better tomorrow is not just a dream, but a reality we can build together.

With warm regards,

Dr. Ram Narayan Bharti President & Founder

Bharti Sewa Sadan Trust

VISION

Our vision is to build an inclusive, empowered, and self-reliant society where every individual—regardless of their socio-economic background—has access to quality healthcare, education, livelihood opportunities, and social justice. We envision a world free from discrimination, poverty, illiteracy, and inequality, where human dignity is respected, and where communities are empowered to take charge of their own development.

We believe that true progress is measured not just in economic terms but in the quality of life of the most marginalized and vulnerable. Our vision is to nurture a society where:

• Every child receives the gift of education.

• Every woman is respected, empowered, and independent.

• Every family has access to healthcare and basic needs.

• Every youth has the opportunity to learn, grow, and earn with dignity.

• Every community lives in harmony with values of peace, equality, and sustainability.

MISSION

The mission of Bharti Sewa Sadan Trust is to serve society with dedication, compassion, and transparency by implementing sustainable initiatives in healthcare, education, women & child welfare, livelihood promotion, environmental protection, and social awareness.

We aim to:

1. Provide Accessible Healthcare: Through BSST Hospital, medical camps, and awareness programmes, we ensure that the poor and marginalized receive timely medical assistance.

2. Promote Quality Education: By offering free education, learning materials, awareness campaigns, and support systems, we empower children to break the cycle of poverty.

3. Empower Women & Youth: We conduct skill development, vocational training, and self-help group initiatives to make women and youth self-reliant and confident.

4. Foster Social Awareness: Campaigns on dowry prevention, anti-addiction, Swachh Bharat, human rights, and gender equality mobilize communities towards positive social change.

5. Strengthen Livelihoods: By supporting sustainable agriculture, promoting handicrafts, and creating entrepreneurship opportunities, we help families secure better livelihoods.

6. Protect the Environment: Plantation drives, clean village initiatives, and ecoawareness programmes ensure a healthier and greener environment for the future.

7. Promote Inclusiveness & Justice: We work for the upliftment of Dalits, backward classes, orphans, differently-abled, and marginalized groups so that no one is left behind.

At the heart of our mission lies the belief that "Service to humanity is service to God." Every programme, every initiative, and every step we take is guided by this spirit of selfless service.

Throughout the year 2024–25, Bharti Sewa Sadan Trust carried out a wide range of impactful activities and programmes designed to address the diverse needs of society. Our initiatives spanned across healthcare, education, skill development, women and child welfare, social reform, and environmental protection. The Trust's flagship project, BSST Hospital, continued to serve as a lifeline for thousands by offering affordable and accessible medical care. Alongside healthcare, we organized free health check-up camps, awareness workshops on nutrition and hygiene, and maternal-child health programmes to ensure holistic well-being. In the field of education, our Free Education and Educational Awareness Programmes provided opportunities to underprivileged children, while Skill Development and Vocational Training equipped youth with employable skills for a better future. Social reform campaigns such as anti-dowry awareness, anti-addiction drives, and Swachh Bharat initiatives mobilized communities towards progressive change. To preserve culture and values, we hosted cultural events, national celebration programmes, and workshops, creating unity and a sense of pride among participants. Additionally, our plantation programmes and environmental awareness drives reflected our commitment to sustainability and climate action. Together, these activities not only benefitted thousands of individuals but also strengthened the collective spirit of community development, making 2024–25 a year of measurable impact and transformation.

17. Vocational Training Programme

18. Educational Awareness Programme

19. Poverty Alleviation Programme

1. BSST Hospital (Healthcare Services)

The establishment and successful operation of BSST Hospital remains the proudest achievement of Bharti Sewa Sadan Trust. The hospital was built with the sole vision of ensuring that quality healthcare reaches every individual, regardless of economic background. In rural Bihar, where government hospitals are overcrowded and private hospitals are unaffordable, BSST Hospital has become a lifeline for marginalized families. The hospital is equipped with an outpatient department (OPD), basic diagnostic facilities, a pharmacy, and emergency care services. It caters to patients suffering from common ailments, chronic diseases, maternal complications, and child health issues. This year, thousands of patients from Araria district and neighboring villages availed affordable treatment. In addition to treatment, the hospital conducts preventive health programmes, including regular awareness sessions on nutrition, communicable diseases, hygiene, and lifestyle illnesses like diabetes and hypertension. A special wing caters to maternal and child healthcare, ensuring safe deliveries and immunizations. The hospital not only treats illness but also spreads hope, proving that access to healthcare is a fundamental right, not a privilege

2. Rashtriya Manav Adhikar Aayog Awareness

Human rights form the backbone of a democratic society. Unfortunately, in rural areas, lack of awareness often leads to exploitation, discrimination, and denial of justice. To address this gap, the Trust organized a series of Rashtriya Manav Adhikar Aayog Awareness Programmes. Through seminars, street plays, and interactive workshops, communities were informed about fundamental rights, women's rights, child rights, and protections under the Indian Constitution. Lawyers and social activists were invited to speak about legal remedies available in cases of domestic violence, dowry, human trafficking, and caste discrimination. Special focus was given to women and marginalized communities, empowering them to demand justice and dignity. These awareness programmes have helped people understand their rights and responsibilities, thus strengthening democratic participation at the grassroots.

3. Cross Border Awareness

Programme and Training Being located in a border district of Bihar, Araria faces unique challenges such as trafficking, migration-related exploitation, and illegal cross-border activities. To combat these issues, the Trust launched Cross Border Awareness and Training Programmes. Local youth, Panchayat leaders, and women's groups were trained to identify trafficking risks, support safe migration practices, and report suspicious activities. Police officials and border security personnel were also involved in the sessions to improve community coordination. Victims of trafficking who were successfully rehabilitated shared their stories, serving as real-life inspiration. This initiative created a strong community vigilance network to protect vulnerable children and women from exploitation.

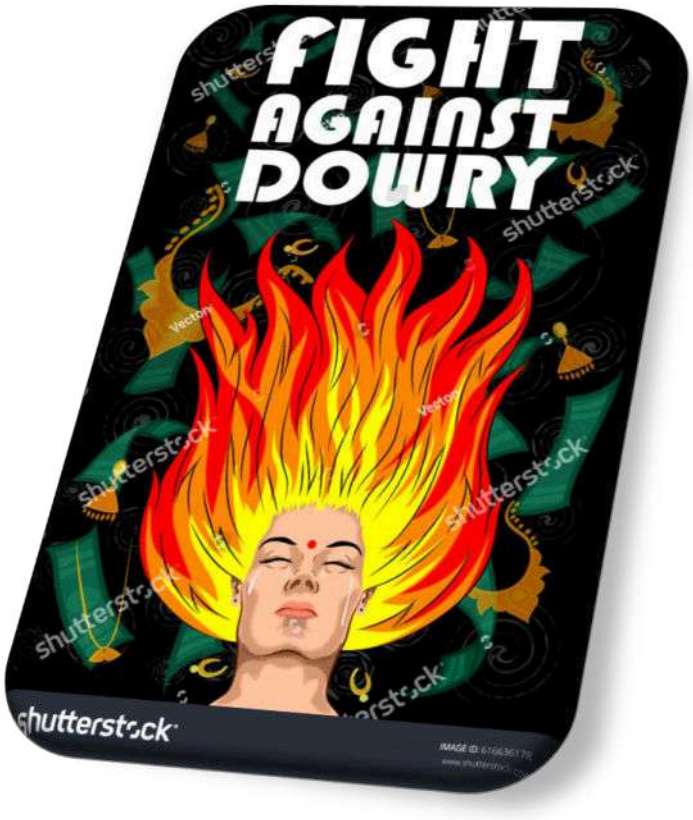

4. Agriculture Programme

Agriculture is the primary livelihood of the people in Araria, yet most farmers face challenges like low productivity, poor soil health, limited irrigation, and lack of market access. The Trust organized an Agriculture Development Programme to uplift the rural farming community. Workshops were held on organic farming, sustainable irrigation methods, soil testing, and crop diversification. Farmers were trained to use bio-fertilizers and vermi-compost instead of chemical inputs, which harm long-term soil fertility. Demonstration farms showcased high-yield techniques and improved seed varieties. The Trust also supported collective farming and self-help groups (SHGs) for small farmers, enabling them to negotiate better prices in the market. As a result, farmers not only improved crop yields but also enhanced household income and food security

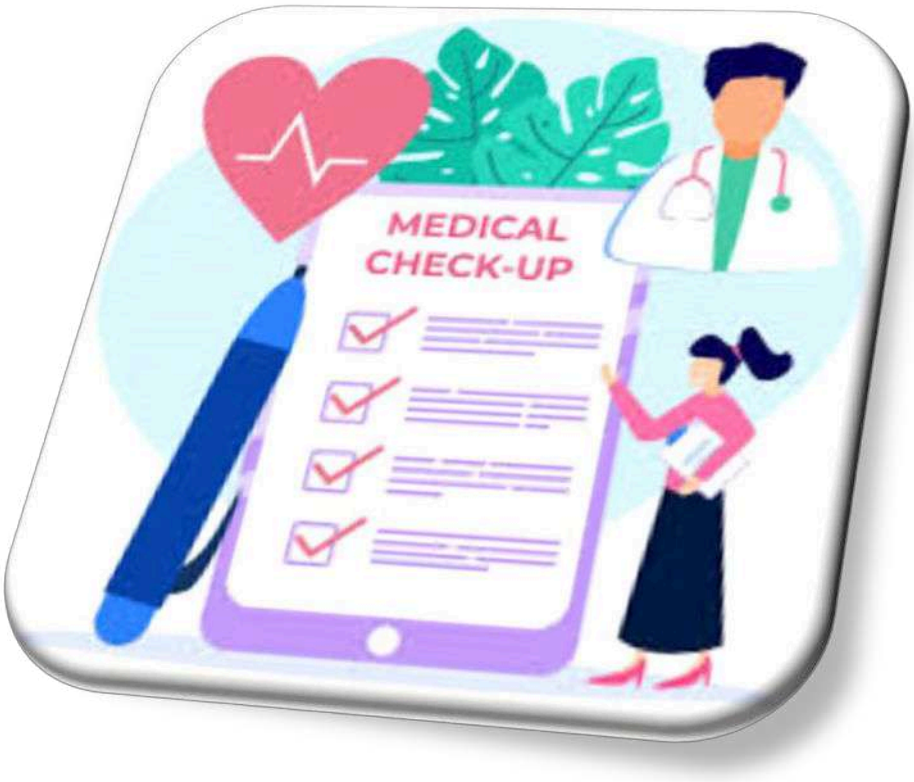

5. Dowry System Awareness Programme

The evil of dowry continues to haunt rural India, often leading to harassment, violence, and even death of women. Bharti Sewa Sadan Trust is committed to fighting this practice through awareness campaigns, community rallies, and youth mobilization. This year, several dowry-free marriages were publicly celebrated by the Trust to inspire others. Street plays, songs, and community meetings were used to spread the message that marriage should be a union of love and respect, not financial transactions. Special sessions in schools and colleges targeted youth, making them aware of the legal consequences of dowry under the Indian Penal Code and Dowry Prohibition Act. These campaigns are gradually changing mindsets, encouraging families to proudly declare themselves dowry-free.

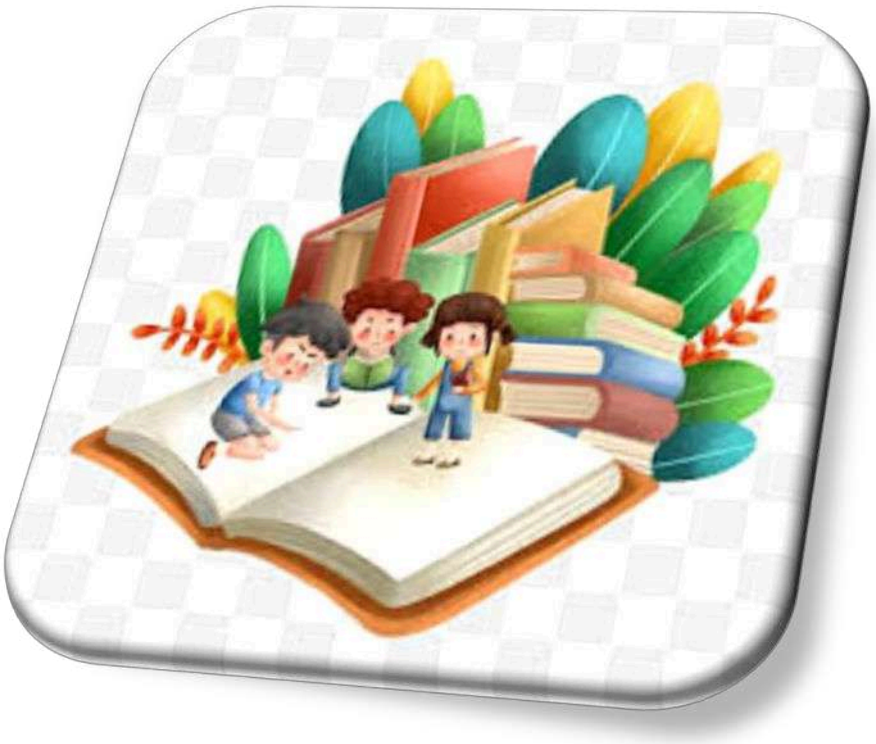

6. Free Health Check-Up Programme

Many rural families cannot afford even basic health services. To bridge this gap, the Trust organized multiple Free Health Check-Up Camps across villages. Doctors from different specializations volunteered their time, and essential medicines were distributed free of cost. Pregnant women, children, and elderly patients were given priority. Camps included eye check-ups, blood sugar tests, blood pressure monitoring, and anemia detection. In addition, sanitary napkins and nutritional supplements were distributed among adolescent girls and women. Through these initiatives, hundreds of people received early diagnosis and treatment. Most importantly, these camps spread awareness about preventive healthcare—encouraging people to consult doctors in time instead of ignoring early symptoms.

7. Free Education Programme

Education is a powerful tool for social transformation. Through its Free Education Programme, the Trust ensured that children from marginalized families received an opportunity to study. The programme provided tuition classes, distribution of study materials, uniforms, and midday snacks. Evening schools were organized for children who work during the day to support their families. The Trust also ran awareness drives among parents to stress the importance of sending children, especially girls, to school. By creating a nurturing environment for learning, this programme has reduced school dropouts and improved literacy levels among first-generation learners. The smiling faces of children entering classrooms remain the Trust's biggest achievement.

8. Skill Development Programme

The Trust recognizes that education alone is not enough—youth and women need employable skills. Through the Skill Development Programme, vocational training was provided in tailoring, handicrafts, computer education, electrical work, and small-scale entrepreneurship. Several participants have since started their own businesses or secured jobs in nearby towns. Women trained in tailoring began stitching clothes, generating a steady income. Youth trained in computer literacy now assist in local cyber cafes, government e-services, and private companies.

10. Women & Child Health Welfare Programme

Women and children remain at the heart of Bharti Sewa Sadan Trust's welfare agenda. Through this programme, antenatal and postnatal care, nutrition support, and vaccination drives were conducted. Special counseling sessions were arranged for adolescent girls on menstrual hygiene and reproductive health. Awareness was also spread against early marriage and child labor, which continue to hinder the growth of children in rural areas. By focusing on women and children, this programme aims to create a healthier, more empowered generation.

11. Madhnised Awareness Programme

(Anti-Addiction Drive) Addiction to alcohol and drugs has ruined countless families, leading to poverty and domestic violence. The Trust launched Madhnised Awareness

Drives (anti-addiction campaigns) to educate communities about the devastating impact of addiction. Recovering addicts were invited to share their stories, inspiring others to quit. Youth were engaged through rallies, cultural performances, and oath-taking ceremonies to say “no” to drugs and alcohol. Counseling sessions were also offered to families affected by addiction.

12. National Celebration Programme

Patriotism and unity are strengthened when communities come together to celebrate national events. The Trust organized Independence Day, Republic Day, Gandhi Jayanti, and Ambedkar Jayanti celebrations across schools and villages. These programmes included flag hoisting, cultural performances, essay competitions, and debates, encouraging youth participation. Beyond celebration, these events reminded people of their duties as citizens and promoted the values of equality, unity, and justice

13. Cultural Programme

Culture is a vehicle for both entertainment and education. The Trust organized cultural events showcasing folk dances, music, and theatre. Many performances carried social messages against dowry, addiction, child marriage, and illiteracy.

14. Plantation Programme

Environmental protection is one of the Trust's key concerns. A massive tree plantation drive was organized across villages, schools, and public places. Fruit-bearing and shade trees were distributed to families, with awareness about long-term ecological benefits.

15. Swachh Bharat Awareness

Programme Supporting the national Swachh Bharat Abhiyan, the Trust conducted cleanliness campaigns and awareness drives in villages. Families were educated about the importance of toilets, safe drinking water, waste segregation, and hygiene practices.

Message From President

It is with immense pride and heartfelt gratitude that I present to you the **Annual Report of Bharti Sewa Sadan Trust for the year 2025–26**. This report is not merely a compilation of facts and figures; it is a reflection of the dedication, compassion, and hard work that our team, partners, and supporters have invested in creating meaningful change for society.

Over the years, our Trust has grown from a small initiative into a dynamic organization committed to **healthcare, education, women empowerment, livelihood promotion, and social reform**. This growth has been possible because of the collective belief that even the smallest act of service can make a significant difference in the lives of others.

The year 2025–26 has been a landmark year for us. Through our **BSST Hospital**, we have been able to extend affordable and quality healthcare to thousands of people who otherwise struggle to access medical facilities. Our **Free Education and Skill Development Programmes** have opened doors of learning and livelihood for hundreds of children and youth. Social awareness campaigns against dowry, substance abuse, and illiteracy have mobilized communities towards progressive change. Environmental initiatives like **plantation drives and Swachh Bharat campaigns** have engaged people in building a cleaner and greener future.

What gives me the greatest satisfaction is not just the numbers we report, but the **stories of transformation** behind them—the child who can now read, the mother who receives safe healthcare, the youth who finds dignity through employment, and the family that rejects dowry to embrace equality. These human stories are the true measure of our success.

Looking ahead, our vision is to expand our healthcare services with specialized facilities, strengthen digital and inclusive education programmes, and create more opportunities for women and youth to become self-reliant. We will also continue to build partnerships with government agencies, corporate CSR initiatives, and civil society organizations to maximize our impact.

I extend my deepest gratitude to our **Secretary, Treasurer, Directors, Volunteers, Donors, and Well-Wishers**, whose unwavering support keeps our mission alive. Together, we will continue to serve humanity with integrity, compassion, and dedication.

Let us move forward with the conviction that a better tomorrow is not just a dream, but a reality we can build together.

With warm regards,
Dr. Ram Narayan Bharti
President & Founder
Bharti Sewa Sadan Trust

Our Vision

Our vision is to build an **inclusive, empowered, and self-reliant society** where every individual—regardless of their socio-economic background—has access to **quality healthcare, education, livelihood opportunities, and social justice**. We envision a world free from discrimination, poverty, illiteracy, and inequality, where human dignity is respected, and where communities are empowered to take charge of their own development.

We believe that true progress is measured not just in economic terms but in the **quality of life of the most marginalized and vulnerable**. Our vision is to nurture a society where:

- Every child receives the gift of education.
- Every woman is respected, empowered, and independent.

- Every family has access to healthcare and basic needs.
- Every youth has the opportunity to learn, grow, and earn with dignity.
- Every community lives in harmony with values of peace, equality, and sustainability.

Through this vision, Bharti Sewa Sadan Trust strives to be a beacon of hope, compassion, and transformation for generations to come.

The mission of Bharti Sewa Sadan Trust is to serve society with dedication, compassion, and transparency by implementing sustainable initiatives in **healthcare, education, women & child welfare, livelihood promotion, environmental protection, and social awareness**.

We aim to:

1. **Provide Accessible Healthcare:** Through BSST Hospital, medical camps, and awareness programmes, we ensure that the poor and marginalized receive timely medical assistance.
2. **Promote Quality Education:** By offering free education, learning materials, awareness campaigns, and support systems, we empower children to break the cycle of poverty.
3. **Empower Women & Youth:** We conduct skill development, vocational training, and self-help group initiatives to make women and youth self-reliant and confident.

4. **Foster Social Awareness:** Campaigns on dowry prevention, anti-addiction, Swachh Bharat, human rights, and gender equality mobilize communities towards positive social change.
5. **Strengthen Livelihoods:** By supporting sustainable agriculture, promoting handicrafts, and creating entrepreneurship opportunities, we help families secure better livelihoods.
6. **Protect the Environment:** Plantation drives, clean village initiatives, and eco-awareness programmes ensure a healthier and greener environment for the future.
7. **Promote Inclusiveness & Justice:** We work for the upliftment of Dalits, backward classes, orphans, differently-abled, and marginalized groups so that no one is left behind.

At the heart of our mission lies the belief that **"Service to humanity is service to God."** Every programme, every initiative, and every step we take is guided by this spirit of selfless service.

ANNUAL REPORT 2025

Throughout the year 2025–26, **Bharti Sewa Sadan Trust** carried out a wide range of impactful **activities and programmes** designed to address the diverse needs of society. Our initiatives spanned across **healthcare, education, skill development, women and child welfare, social reform, and environmental protection**. The Trust's flagship project, **BSST Hospital**, continued to serve as a lifeline for thousands by offering affordable and accessible medical care. Alongside healthcare, we organized **free health check-up camps, awareness workshops on nutrition and hygiene, and maternal-child health programmes** to ensure holistic well-being. In the field of education, our **Free Education and Educational Awareness Programmes** provided opportunities to underprivileged children, while **Skill Development and Vocational Training** equipped youth with employable skills for a better future. Social reform campaigns such as **anti-dowry awareness, anti-addiction drives, and Swachh Bharat initiatives** mobilized communities towards progressive change. To preserve culture and values, we hosted **cultural events, national celebration programmes, and workshops**, creating unity and a sense of pride among participants. Additionally, our **plantation programmes and environmental awareness drives** reflected our commitment to sustainability and climate action. Together, these activities not only benefitted thousands of individuals but also strengthened the collective spirit of community development, making 2024–25 a year of measurable impact and transformation.

📖 ***Detailed Explanation of Activities & Programmes (2025–26)***

1. BSST Hospital (Healthcare Services)

The establishment and successful operation of **BSST Hospital** remains the proudest achievement of Bharti Sewa Sadan Trust. The hospital was built with the sole vision of ensuring that **quality healthcare reaches every individual, regardless of economic background**. In rural Bihar, where government hospitals are overcrowded and private hospitals are unaffordable, BSST Hospital has become a **lifeline for marginalized families**.

The hospital is equipped with an outpatient department (OPD), basic diagnostic facilities, a pharmacy, and emergency care services. It caters to patients suffering from common ailments, chronic diseases, maternal complications, and child health issues. This year, **thousands of patients from Araria district and neighboring villages** availed affordable treatment.

In addition to treatment, the hospital conducts **preventive health programmes**, including regular awareness sessions on nutrition, communicable diseases, hygiene, and lifestyle illnesses like diabetes and hypertension. A special wing caters to **maternal and child healthcare**, ensuring safe deliveries and immunizations.

The hospital not only treats illness but also **spreads hope**, proving that access to healthcare is a fundamental right, not a privilege.

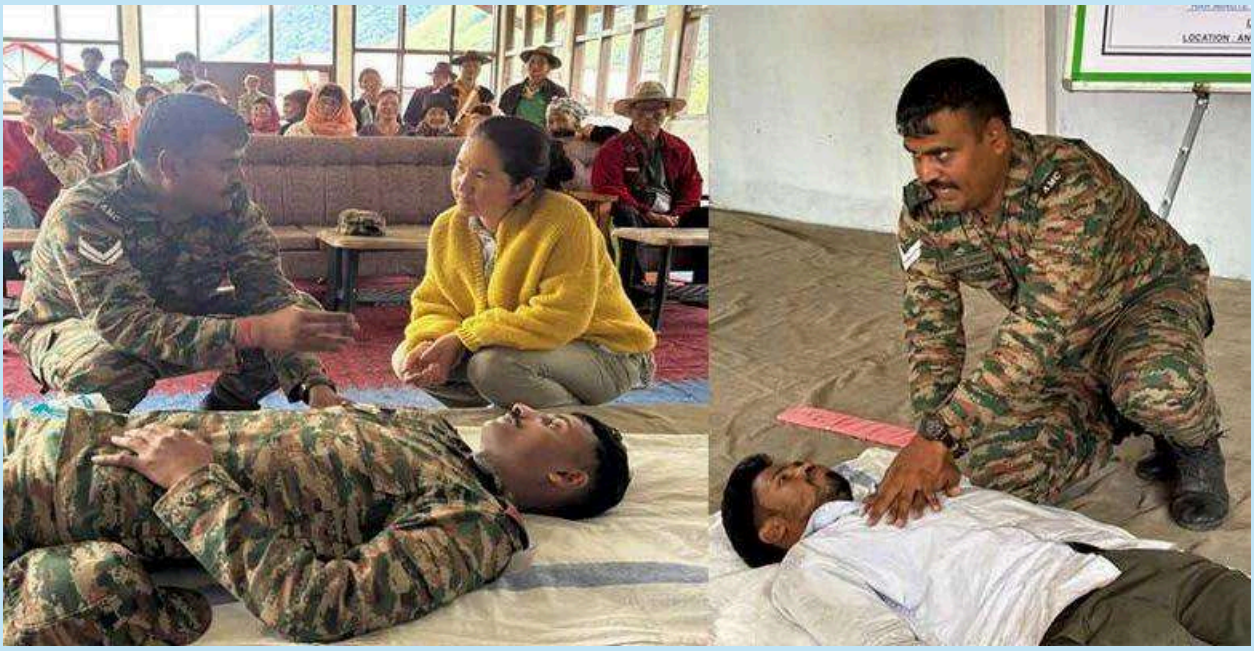

2. Rashtriya Manav Adhikar Aayog Awareness

Human rights form the backbone of a democratic society. Unfortunately, in rural areas, lack of awareness often leads to exploitation, discrimination, and denial of justice. To address this gap, the Trust organized a series of **Rashtriya Manav Adhikar Aayog Awareness Programmes**.

Through seminars, street plays, and interactive workshops, communities were informed about **fundamental rights, women's rights, child rights, and protections under the Indian Constitution**. Lawyers and social activists were invited to speak about **legal remedies available in cases of domestic violence, dowry, human trafficking, and caste discrimination**.

Special focus was given to women and marginalized communities, empowering them to demand justice and dignity. These awareness programmes have helped people **understand their rights and responsibilities**, thus strengthening democratic participation at the grassroots.

3. Cross Border Awareness Programme and Training

Being located in a **border district of Bihar**, Araria faces unique challenges such as trafficking, migration-related exploitation, and illegal cross-border activities. To combat these issues, the Trust launched **Cross Border Awareness and Training Programmes**.

Local youth, Panchayat leaders, and women's groups were trained to **identify trafficking risks, support safe migration practices, and report suspicious activities**. Police officials and border security personnel were also involved in the sessions to improve community coordination.

Victims of trafficking who were successfully rehabilitated shared their stories, serving as real-life inspiration. This initiative created a strong **community vigilance network** to protect vulnerable children and women from exploitation.

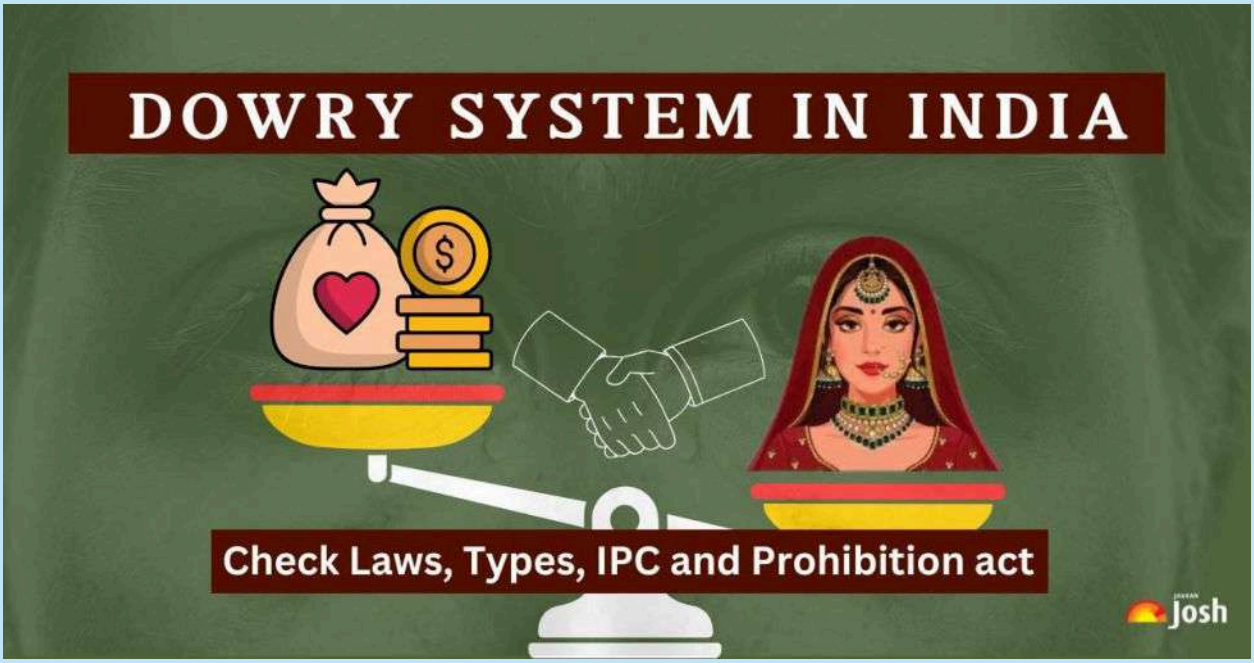

4. Agriculture Programme

Agriculture is the primary livelihood of the people in Araria, yet most farmers face challenges like **low productivity, poor soil health, limited irrigation, and lack of market access**. The Trust organized an **Agriculture Development Programme** to uplift the rural farming community.

Workshops were held on **organic farming, sustainable irrigation methods, soil testing, and crop diversification**. Farmers were trained to use **bio-fertilizers and vermi-compost** instead of chemical inputs, which harm long-term soil fertility. Demonstration farms showcased high-yield techniques and improved seed varieties.

The Trust also supported **collective farming and self-help groups (SHGs)** for small farmers, enabling them to negotiate better prices in the market. As a result, farmers not only improved crop yields but also **enhanced household income and food security**

5. Dowry System Awareness Programme

The evil of **dowry** continues to haunt rural India, often leading to harassment, violence, and even death of women. Bharti Sewa Sadan Trust is committed to fighting this practice through **awareness campaigns, community rallies, and youth mobilization**.

This year, several **dowry-free marriages** were publicly celebrated by the Trust to inspire others. Street plays, songs, and community meetings were used to spread the message that marriage should be a union of love and respect, not financial transactions.

Special sessions in schools and colleges targeted youth, making them aware of the **legal consequences of dowry** under the Indian Penal Code and Dowry Prohibition Act. These campaigns are gradually changing mindsets, encouraging families to proudly declare themselves **dowry-free**.

6. Free Health Check-Up Programme

Many rural families cannot afford even basic health services. To bridge this gap, the Trust organized multiple **Free Health Check-Up Camps** across villages. Doctors from different specializations volunteered their time, and essential medicines were distributed free of cost.

Pregnant women, children, and elderly patients were given priority. Camps included **eye check-ups, blood sugar tests, blood pressure monitoring, and anemia detection**. In addition, **sanitary napkins and nutritional supplements** were distributed among adolescent girls and women.

Through these initiatives, hundreds of people received early diagnosis and treatment. Most importantly, these camps spread **awareness about preventive healthcare**—encouraging people to consult doctors in time instead of ignoring early symptoms.

7. Free Education Programme

Education is a powerful tool for social transformation. Through its **Free Education Programme**, the Trust ensured that children from marginalized families received an opportunity to study.

The programme provided **tuition classes, distribution of study materials, uniforms, and midday snacks**. Evening schools were organized for children who work during the day to support their families. The Trust also ran **awareness drives among parents** to stress the importance of sending children, especially girls, to school.

By creating a nurturing environment for learning, this programme has **reduced school dropouts and improved literacy levels** among first-generation learners. The smiling faces of children entering classrooms remain the Trust's biggest achievement.

8. Skill Development Programme

The Trust recognizes that education alone is not enough—youth and women need employable skills. Through the **Skill Development Programme**, vocational training was provided in tailoring, handicrafts, computer education, electrical work, and small-scale entrepreneurship.

Several participants have since started their own businesses or secured jobs in nearby towns. Women trained in tailoring began stitching clothes, generating a steady income. Youth trained in computer literacy now assist in local cyber cafes, government e-services, and private companies.

This programme has not only enhanced **employability and income generation** but also boosted self-confidence among participants.

9. Health Awareness Programme

Beyond medical treatment, the Trust emphasized **health awareness as a preventive measure**. Awareness sessions were conducted on topics like **nutrition, hygiene, sanitation, maternal health, lifestyle diseases, and communicable infections**.

Innovative methods like **street plays, posters, group discussions, and puppet shows** made these sessions engaging. Mothers were educated on **exclusive breastfeeding, immunization, and balanced diet** for children. Adolescents were guided about reproductive health and personal hygiene.

These programmes have had a lasting impact, as families are now more informed and proactive about maintaining healthy practices.

10. Women & Child Health Welfare Programme

Women and children remain at the heart of Bharti Sewa Sadan Trust's welfare agenda. Through this programme, **antenatal and postnatal care, nutrition support, and vaccination drives** were conducted. Special counseling sessions were arranged for adolescent girls on **menstrual hygiene and reproductive health**.

Awareness was also spread against **early marriage and child labor**, which continue to hinder the growth of children in rural areas. By focusing on women and children, this programme aims to create a **healthier, more empowered generation**.

11. Madhnised Awareness Programme (Anti-Addiction Drive)

Addiction to alcohol and drugs has ruined countless families, leading to poverty and domestic violence. The Trust launched **Madhnised Awareness Drives** (anti-addiction campaigns) to educate communities about the devastating impact of addiction.

Recovering addicts were invited to share their stories, inspiring others to quit. Youth were engaged through **rallies, cultural performances, and oath-taking ceremonies** to say "no" to drugs and alcohol. Counseling sessions were also offered to families affected by addiction.

This initiative gave hope to many, reducing dependency and promoting **healthy, addiction-free communities**.

12. National Celebration Programme

Patriotism and unity are strengthened when communities come together to celebrate national events. The Trust organized **Independence Day, Republic Day, Gandhi Jayanti, and Ambedkar Jayanti** celebrations across schools and villages.

These programmes included **flag hoisting, cultural performances, essay competitions, and debates**, encouraging youth participation. Beyond celebration, these events reminded people of their **duties as citizens** and promoted the values of equality, unity, and justice.

13. Cultural Programme

Culture is a vehicle for both entertainment and education. The Trust organized **cultural events** showcasing folk dances, music, and theatre. Many performances carried social messages against dowry, addiction, child marriage, and illiteracy.

These programmes not only preserved **local art and traditions** but also served as an effective tool for spreading awareness. They fostered community participation and promoted unity through shared cultural experiences.

14. Plantation Programme

Environmental protection is one of the Trust's key concerns. A massive **tree plantation drive** was organized across villages, schools, and public places. **Fruit-bearing and shade trees** were distributed to families, with awareness about long-term ecological benefits.

Volunteers educated people on **climate change, deforestation, and water conservation**. By engaging schoolchildren and youth in plantation activities, the Trust instilled a **sense of environmental responsibility** among the younger generation.

15. Swachh Bharat Awareness Programme

Supporting the national Swachh Bharat Abhiyan, the Trust conducted **cleanliness campaigns and awareness drives** in villages. Families were educated about the importance of **toilets, safe drinking water, waste segregation, and hygiene practices**.

Community cleaning drives were conducted where people participated in sweeping streets, cleaning drains, and planting trees. These initiatives helped create **cleaner surroundings and healthier living conditions**.

16. Workshop & Seminar Programme

Workshops and seminars acted as **knowledge-sharing platforms**. Experts, doctors, educators, and social leaders were invited to conduct sessions on healthcare, education, gender equality, livelihood, and environment.

Youth were trained in leadership and soft skills, while women's groups received awareness on rights, savings, and entrepreneurship. These programmes helped in **capacity building** and provided practical knowledge to beneficiaries.

17. Vocational Training Programme

The Trust ran **structured vocational courses** for dropouts, unemployed youth, and women. Training covered **tailoring, computer applications, electrical repair, handicrafts, and food processing**.

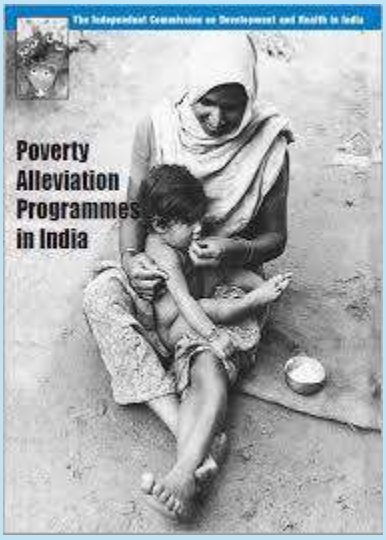

On completion, participants were given certificates, enhancing their employability. Many have either started small businesses or secured jobs in nearby towns, leading to **improved financial independence**.

18. Educational Awareness Programme

Literacy levels remain low in rural Bihar due to poverty, early marriage, and child labor. To counter this, the Trust conducted **educational awareness drives** through street rallies, group meetings, and parent-teacher interactions.

Parents were encouraged to send their children—especially girls—to school. Slogans, posters, and skits emphasized that **education is the key to breaking the cycle of poverty**. These campaigns successfully increased enrollment and reduced dropout rates.

19. Poverty Alleviation Programme

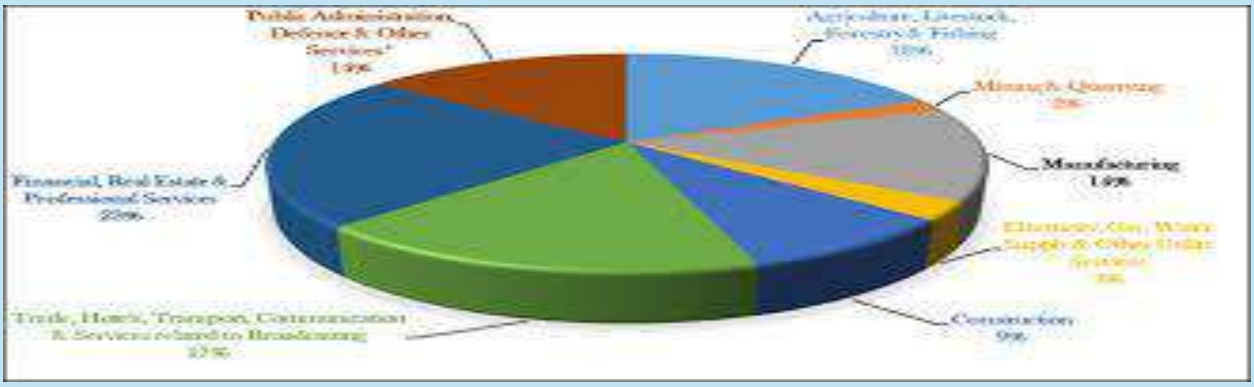

Poverty alleviation is at the heart of the Trust's mission. The programme included **microfinance initiatives, self-help group formation, skill development, and livelihood promotion**. Families were trained to take up small businesses like poultry, dairy farming, and handicrafts.

By providing access to credit, training, and markets, the Trust helped families **achieve economic stability and independence**. Poverty alleviation efforts are creating a ripple effect—improving education, health, and quality of life for future generations.

🙏 Closing Note & Acknowledgement

As we bring this Annual Report (2025–26) to a close, **Bharti Sewa Sadan Trust** extends its deepest gratitude to all those who have stood by us in our mission of service. This year has been a remarkable journey of challenges and achievements, where every step we took was strengthened by the support of our **donors, well-wishers, government agencies, CSR partners, and community members**.

We are especially grateful to our **dedicated team of trustees, staff, and volunteers**, whose tireless efforts have made it possible to carry out diverse activities in healthcare, education, skill development, social reform, and environmental protection. Without their unwavering commitment, our initiatives would not have reached the thousands of beneficiaries whose lives were touched this year.

The year 2025–26 has reaffirmed our belief that **sustainable change can only be achieved when communities are empowered with knowledge, resources, and opportunities**. While we take pride in what has been accomplished, we also recognize the journey ahead. Poverty, illiteracy, healthcare gaps, and social inequalities remain pressing issues—and it is our responsibility to continue addressing them with even greater dedication.

As we look to the future, we envision **expanding our healthcare services, strengthening skill development programmes, and deepening our commitment to women and child**

welfare. We also aim to build stronger partnerships, mobilize more resources, and adopt innovative solutions that bring lasting impact.

With the blessings of the Almighty, the support of our well-wishers, and the energy of our team, we move forward with renewed determination to create a society that is **healthier, more educated, and more equitable for all**.

Together, let us continue this journey of service, hope, and transformation.

– Bharti Sewa Sadan Trust

🙏 Thank You

On behalf of **Bharti Sewa Sadan Trust**, we extend our heartfelt gratitude to all our donors, partners, volunteers, and well-wishers whose unwavering support has made our work possible. Your belief in our mission fuels our commitment to serve the most vulnerable and bring positive change to society.

Every contribution of time, resources, and effort has strengthened our resolve to create a future that is healthier, more educated, and more empowered. Together, we have touched countless lives, and together, we will continue to build **a better tomorrow for all**.

– With gratitude,
Bharti Sewa Sadan Trust

- Organized free medical check-up camps in Shivpuri and nearby villages with the help of local doctors.
- Conducted awareness campaigns against dowry and alcoholism, reaching schools and women's groups.
- Launched basic literacy support programmes for underprivileged children in evening classes.
- Started environmental awareness drives – plantation of 100+ saplings in villages.
- Organized small skill awareness programmes to introduce women to tailoring and handicrafts.
- Observed National Days (Gandhi Jayanti, Women's Day) with rallies and workshops.

2016–2017: Programme Expansion & Capacity Building

- Expanded health camps to include maternal & child health, immunization awareness.
- Initiated vocational training pilot batches for rural youth (stitching, handicrafts, small-scale trades).
- Conducted road safety awareness rallies and Swachh Bharat Abhiyan drives in schools and public places.
- Established linkages with local authorities and Panchayati Raj Institutions for collaborative work.
- Strengthened organizational capacity by setting up a small office infrastructure and mobilizing volunteers.
- Hosted cultural events promoting social unity and discouraging harmful practices (child marriage, dowry).

- **Environmental Impact: 5,000+ trees planted**

✨ Overall Impact Statement

Since its inception in 2015, Bharti Sewa Sadan Trust (BSST) has worked with a singular vision — to uplift marginalized communities in Bihar through holistic and sustainable development. Over the years, BSST has successfully balanced transparency, accountability, and social responsibility, ensuring that more than 90% of its resources are consistently directed towards programmes and beneficiary services, with only a minimal portion utilized for administrative expenses. This financial discipline has not only strengthened donor trust but has also allowed the Trust to maximize its community impact.

Through its integrated model, BSST has reached over 50,000 direct beneficiaries by 2026 across multiple domains — healthcare, education, skill development, poverty alleviation, women and child welfare, social awareness, and environmental conservation. Each initiative, whether a free health camp, a women's tailoring workshop, a poverty alleviation drive, or a youth leadership seminar, has been carefully designed to meet local needs while aligning with national priorities like Swachh Bharat Abhiyan, Beti Bachao Beti Padhao, and Skill India Mission.

The Trust's flagship initiative, BSST Hospital, stands as a cornerstone of its service, providing affordable and accessible healthcare to thousands of rural families each year. Alongside this, the Trust has pioneered educational programmes, ensuring that children from underprivileged backgrounds not only stay in school but also develop skills for future livelihoods. Its vocational training and women's empowerment programmes have enabled rural women to form self-help groups, earn sustainable incomes, and gain social recognition within their communities.

BSST has also been a first responder during crises, such as the COVID-19 pandemic, when it distributed food kits, masks, and medical support to thousands of families and migrant workers. This agility in addressing emergencies reflects its deep connection with grassroots communities.

✨ Overall Impact Statement

Looking ahead, BSST is determined to expand its scope and scale. By 2030, it aims to be recognized as a model NGO in Bihar — not only for the volume of beneficiaries served but also for the quality and sustainability of its interventions. Plans are already underway for the expansion of BSST Hospital into a full-fledged multi-specialty facility, the creation of digital education centres for rural children, the formation of 200+ women's self-help groups, and the launch of climate action initiatives to address the pressing issue of environmental degradation.

✨ In essence, the impact of BSST is not just measured in numbers but in stories of transformation — a widow who regained her livelihood through tailoring, a child who returned to school after joining free education support, a farmer who adopted sustainable agriculture, or a family that survived the pandemic with dignity. These stories collectively define the soul of BSST.

By 2026 and beyond, BSST envisions a future where healthcare, education, skill training, and environmental sustainability converge to create empowered communities and a self-reliant Bihar.

✨ **"TRUE IMPACT IS NOT COUNTED IN NUMBERS ALONE, BUT IN EVERY LIFE UPLIFTED, EVERY CHILD EDUCATED, EVERY WOMAN EMPOWERED, AND EVERY COMMUNITY MADE STRONGER. AT BSST, WE MEASURE SUCCESS BY TRANSFORMATION, NOT STATISTICS."**

Success Story | From Struggle to Self-Reliance

Rekha Devi, a 32-year-old widow from a small village in Araria, Bihar, was left with two children to raise after her husband's sudden demise. With no stable income and limited education, she struggled daily to feed her family. Many nights, she went to bed hungry so that her children could eat.

In 2019, Rekha came in contact with Bharti Sewa Sadan Trust (BSST) during a Skill Development Training Programme organized for rural women. She enrolled in the Tailoring & Handicrafts Workshop, where she learned sewing, embroidery, and basic design skills. BSST not only trained her but also provided her with access to a sewing machine and connected her to local markets to sell her products.

Within six months, Rekha started her own small tailoring business from her home. Today, she earns an average of ₹3,000–4,000 per month, enough to provide nutritious meals to her children and ensure they continue their education. She has also become a source of inspiration for other women in her village, encouraging them to gain skills and achieve independence.

Impact:
Rekha now supports her two children's schooling.
She contributes to her community by training other women informally.
Her story symbolizes resilience, empowerment, and transformation — values at the core of BSST's mission.

Rekha says:
"Earlier I felt helpless and alone. BSST gave me not only skills but also confidence. Today, I can take care of my children with dignity and hope."

Infrastructure Facilities

Since its inception, Bharti Sewa Sadan Trust (BSST) has invested not only in programmes but also in infrastructure that directly serves communities. These facilities are the backbone of our service delivery and provide sustainable, long-term benefits to thousands of people.

1. BSST Hospital
BSST Hospital is the flagship initiative of the Trust, established to provide affordable and accessible healthcare for rural communities in Araria district.

Departments & Services:
Outpatient Department (OPD): Daily consultations by qualified doctors for general and specialized care.
General Medicine: Diagnosis and treatment of common illnesses.
Maternal & Child Health Unit: Focused services for pregnant women, safe deliveries, and child health.

Diagnostic Services: Basic pathology and diagnostic support.
Pharmacy: Affordable medicines provided to patients at subsidized rates.

Health Camps: Regular free check-up camps organized in villages under the hospital's outreach unit.

Patient Footfall & Reach:

Annual Patient Footfall: More than 10,000 patients served every year.
Free Consultations & Camps: 150+ free health camps held since inception.
Emergency Response: The hospital played a vital role during COVID-19, providing relief and medical advice.

📌 The hospital stands as a lifeline for marginalized families who cannot afford private healthcare, ensuring that no one is denied treatment due to poverty.

Infrastructure | Facilities

2. Training Centres & Classrooms
Education and skills are central to BSST's mission. To support this, the Trust has established training centres and classrooms dedicated to youth and women empowerment programmes.

Facilities Offered:
Skill Development Halls: Equipped with sewing machines, handicraft tools, and training kits for tailoring, handicrafts, and entrepreneurship.
Digital Literacy Labs: (to be launched in 2025–26) Computer-based learning for rural youth and children.

Classrooms: Used for free evening tuition programmes for underprivileged children.
Resource Library: Collection of educational material and awareness resources for beneficiaries.

Impact & Utilization:
1,200+ youth and women trained in skills such as tailoring, IT basics, mobile repair, and handicrafts.
500+ children supported through free tuition and supplementary education classes.

Community Workshops: The centres host seminars and workshops on health, environment, and social issues.
📌 These training centres are hubs of knowledge, self-reliance, and empowerment, especially for rural women and first-generation learners.

Infrastructure | Facilities

3. Community Halls & Outreach Facilities
BSST believes that true change happens when people come together. For this reason, the Trust also maintains community halls and outreach spaces for collective activities.

Key Uses:
Hosting awareness programmes on dowry, women's rights, and child health.

Conducting workshops and seminars on leadership, governance, and human rights.

Organizing cultural events and national celebrations to promote unity.

Serving as temporary shelters during emergencies like floods or COVID-19 lockdowns.

Community Reach:
30+ villages have benefitted from programmes hosted in these halls.

3,000+ community members have attended workshops, cultural events, and awareness drives here.

📌 These facilities are not just physical spaces — they are platforms for empowerment, dialogue, and social transformation.

HEALTH CARE CENTERS & HOSPITALS ASSOCIATED WITH US:

(Our organization serve in healthcare to the marginal people, disabled, helpless people, Widows, family of martyr soldier with help of above mentioned nursing homes & hospitals). The way you get meaning into your life is to devote yourself to loving other. Service to other is the rent you pay for your room here on earth. If you look at what you have in life you'll always have more. If you look at what you don't have in life you will never have enough. Do not go where path may lead,go instead where there is no path. All we need is to build human relations which our deeds. That's only thing that last fore ever.

Conclusion

The infrastructure developed by BSST — including BSST Hospital, training centres, classrooms, and community halls — represents the organization's commitment to sustainable, long-term impact. These facilities ensure that BSST's services are not temporary interventions but permanent solutions that communities can rely on for health, education, and empowerment.

Closing Statement & Acknowledgments

As we conclude this organizational profile, Bharti Sewa Sadan Trust (BSST) reflects with pride and gratitude on its journey since 2018. From humble beginnings to becoming a trusted community institution, BSST has consistently pursued its mission of empowering marginalized groups, improving healthcare access, strengthening education, and raising awareness on critical social issues.

Over the years, we have expanded from small community meetings to establishing BSST Hospital, training centres, classrooms, and outreach facilities, directly serving 50,000+ beneficiaries. This would not have been possible without the unwavering support and encouragement of our stakeholders.

We extend our deepest gratitude to:

- Donors & Supporters: For their generosity and faith in our vision.
- Members & Trustees: For their leadership, dedication, and governance.
- Volunteers & Field Workers: For their tireless service at the grassroots level.
- Partner Organizations: For collaborating with us in programmes and projects.
- Government & Local Authorities: For their recognition and cooperation.
- Community Beneficiaries: For their trust, participation, and resilience.
- BSST stands committed to transparency, accountability, and measurable impact. We reaffirm our pledge to continue working for a self-reliant and inclusive Bihar where no one is left behind.

✨ Together, we can transform lives and build a better tomorrow.
Signed with gratitude,
President & Secretary

THANK YOU MESSAGE

On behalf of Bharti Sewa Sadan Trust (BSST), we extend our deepest gratitude to all those who have been part of our journey since our inception in 2018. What began as a small initiative with limited resources has grown into a trusted community institution, thanks to the unwavering encouragement and support we have received over the years.

We thank our donors and supporters for their generosity and faith, which have allowed us to dream bigger and expand our programmes. We are equally grateful to our partners and collaborators who have walked alongside us in implementing projects and ensuring that resources reach those who need them most.

Our sincere appreciation goes to the volunteers and field workers, the unsung heroes of BSST, who dedicate their time and energy to working in challenging conditions to bring hope and support to communities. We also acknowledge the government officials and local authorities whose guidance and cooperation have helped us align our efforts with state and national priorities. Most importantly, we thank the community members and beneficiaries themselves — for their trust, participation, and resilience. It is their courage and stories of transformation that inspire us every single day.
Each contribution — whether big or small, financial or voluntary, individual or institutional — has played a crucial role in bringing us closer to our vision of an empowered, healthy, and self-reliant society.

✨ **"Alone we can do so little; together we can do so much. The progress of BSST is not the story of one organization, but the collective journey of everyone who believed in the power of service and change."**
